Give What You Can Drive

The fourth grade sponsored a can drive to stock the Immanuel Food Pantry. The class competition for the pizza party was intense. The top three classes brought in over 20 cans per person. The eighth grade earned the prize with a late push resulting in over 43 cans per person. The total cans collected was 1663. What a wonderful way to say thanks.

The fourth grade piled two carts high full of food for the less fortunate. All of the food will restock the Immanuel Food Pantry. The class collected and counted the food each day and used their math skills to determine the cans/person.

Upcoming Events:

- Nov. 23-27 Thanksgiving Break
- Dec. 4-5 Trinity Klein Basketball Tourney
- Dec. 14 Virtual Christmas Concert
- Dec. 18 Early dismissal for Christmas

Above: Even during the pandemic worship is central to our school. Here the second grade class sings of the thankfulness they feel for God's blessings.

STEAM, science, technology, engineering, art, and math are important parts of a quality program. The kindergarten learned history by building the Mayflower boat and practiced science to see what designs would float and carry passengers.

Thanksgiving

Despite the pandemic, we have much for which we are thankful. Classes have demonstrated thankfulness through the second grade worship service, fourth grade food drive, kindergarten thank you notes to various staff members, and classroom displays. Our character trait for November is generosity and students have demonstrated that well. We are thankful for your support these past few months as we continue to deal with the pandemic necessitated changes.

Keep safe over the holiday and have a Happy Thanksgiving!
