Dress Code Reminder

As the weather heats up, it helps to have a little reminder on the dress code. While I enjoy the baseball teams hairstyles, hair must be off the collar in the back and no unusual styles are permitted. Shorts must be longer than the fingertips when arms are extended. Tank tops are not allowed nor are flip flop sandals. Clothes must not be torn or ripped. We do not have a strict policy such as uniforms but we ask you to follow the code in the handbook.

2021-22 Registration Information

Registration for the fall has begun and registrations have started to come in. Please let the office know if you did not receive a packet. Remember the registration fee goes up to \$500 on May 1. Please register as soon as possible so we can continue our planning.

The sixth grade students participated in a service project while on outdoor ed at Camp Lone Star.

Upcoming Events:

- Apr. 19-23 Iowa Testing
- Apr. 16 End of 5th term
- Apr. 26-30 7th/8th grade trip
- Apr. 30 Game Night at Faith LHS

Experiential learning helps students see the connection between book learning and real life. Here the eighth grade students put their instruction about forces, rotation, and Newton's Laws into practice at the bowling alley in Bastrop.

Connecting different subjects makes the learning stick better. Here the kindergarten combines reading of [The Hungry Caterpillar](#) by Eric Carle with an art project.

Mark your calendars for May 21

We are ready to celebrate and enjoy the camaraderie so lacking this past year due to Covid. The Gala committee has committed to holding the event in-person this year. Set aside the date and watch for more information as we draw nearer the event. Please consider a donation for the auction part of the evening.
