Updates Regarding Staffing for Next Year

By now, most people have heard that Mrs. Siegmund is pregnant and will not be returning next year. She has elected to be a stay-at-home mother, a precious occupation. She is well loved and will be dearly missed. With the opening, we have decided to make a few changes. Mrs. Kuiper has asked to teach the 1st grade. She trained for the lower grades and is excited for the opportunity to teach the younger students. She adds teaching experience to the primary grades. The middle school staff and I have interviewed teacher candidates and have made a recommendation to the church to issue a call. More on that after the voters meeting.

2021-22 Registration Information

Registrations have been going very well. There is only 1 spot left in the kindergarten. There are a limited number of spots in the first grade. We are so pleased with the progress and excitement of our students. We would love to have everyone back. Tell your friends and earn a finders fee.

The two areas of greatest importance for our school are faith development and academics. Here the third grade received awards for excelling at mathematics.

It is great to be back for in-person chapel. It is also rewarding to see students sharing their faith in such a public fashion. The 7th grade visually demonstrated that even a little faith produces a ripple effect that will impact numerous lives.

The 4th grade students acts out the story of Job in chapel. The theme: Praise God in good times and bad.

Mark your calendars for May 21

The Gala committee is hard at work gathering gifts and planning a fun celebration of our school. The Gala is an important event to raise funds in support of the school program. The night is full of food, dancing, and healthy bidding on numerous auction items. Please consider purchasing a table or attending the event.
