COVID Procedures

There has been confusion regarding COVID quarantines. If a person tests positive they must quarantine for 10 days and have no symptoms and be fever free for 24 hours. A person who comes in close contact defined as being within 6 feet of an infected person for more than 15 minutes cumulative time, must quarantine for 10 days. They can return to school on the 11th day or the 8th day if they have a negative test in day 5,6,or 7. The 10 day quarantine does not start until they have been isolated from an infected person for 10 days. They may be quarantined for 10 days but if there is a family member who has tested positive and the student is still in contact with the family member, the new 10 day quarantine starts after the family member gets out of quarantine. These are rules set forth by the CDC and they have not changed in the past year. Here is an example: Dad tests positive. Students quarantine for 10 days. On day 10 one student tests positive. Any siblings must quarantine for 10 days. After the positive tested student's 10 days, the other siblings must quarantine another 10 days. We understand that is a long time but those are the rules set out for us.

Important Notice: This is a reminder that our handbook policy does not allow delivery of lunch from outside vendors. This policy is in line with our commitment, through the federal hot lunch program, to provide nutritious meals for our students. Exceptions for birthdays should be arranged with the teacher and the school office.

Left: The 4th grade class demonstrates they are courageous Jesus followers by leading chapel worship.

Below Left: The addition of Chromebooks allows students to challenge each other in learning math facts. You can see the excitement as students race against each other to solve problems.

Parent Conferences

With the first term ending on the 24th, we will use October 11th for parent/teacher conferences. The meetings will be from 3-7:30. Primary teachers may use alternate days. Each schedule is set for a maximum of 15 minutes. If more time is needed another meeting can be arranged.
