Above: Creative play is an essential part of brain development. It removes teacher-imposed structure and allows for imagination and limitless possibilities.

Below: The impact of grandparents is immeasurable.

Parent Conferences

Parent teacher conferences are this Monday from 3-7:30. Middle school teachers are available on a first come-first serve basis in the gymnasium. Primary teachers are scheduling individual appointments with parents. This is a great time to build relationships that will further children's education.

Above: Bowling with friends leads to wonderful memories.

Left: The 6th grade demonstrated their dramatic skills while leading chapel with skits and songs.

Grandparents

The number of grandparents supporting their grandchildren has risen dramatically in the last decade. Many grandparents are raising their grandchildren. Some pay tuition to make a Christian education affordable for parents. A few volunteer at school. We are so humbled by the love they demonstrate each and every day. Thank you grandparents.
